Why Meteor

“Meteor has been a preferred provider for Structured Products for some years. We like the products, the brochures and the service which is always friendly and efficient.”

IFA, Berkshire UK

“The on-line system too is second to none. We frequently obtain current prices for our reports and find it very useful to quickly find strike prices, measurement dates and other details.”
IFA, Berkshire UK

“The team at Meteor have worked incredibly hard with our platform provider to enable us to trade their structured products. The various structures they offer and the range of underlying counterparties ensures that there are attractive products being regularly priced and issued with a variety of counterparties. This enables us to ensure diversity of counterparties and maturity dates for our clients.” IFA, Norwich UK

“We have always found Meteor to be an extremely flexible and approachable company to deal with and receive exceptional service from our Sales Manager.” IFA, Manchester UK

“Meteor keeps us informed of all new launches which allows us to position products with our clients in a timely manner. This support gives me and my clients the peace of mind and confidence that we are dealing with a very professional and secure company.” IFA, Scotland UK

About Meteor

Situated in the heart of the Square Mile of London, Meteor Asset Management offers a range of high quality structured products for both retail and professional investors, all whilst maintaining an unrivalled client service experience.

As one of the largest structured product providers in the UK, we have consistently provided investors with compelling opportunities to achieve their financial goals over the last decade. As well as offering a standard range of structured products to the wider public, we also offer a bespoke arrangement service that tailors white-label solutions to satisfy specific client needs.

The professional relationships cultivated by our team are vital to the Company's success and have positioned us at the forefront of both institutional and investors' minds for the research, sourcing and construction of effective investment strategies. Our solutions embrace all major currencies and asset classes including equities, commodities, real estate and alternative asset classes.

We don't just believe in building a business relationship, we believe in building your trust.

Innovative solutions. Immaculate service.

Innovative Solutions

Retail structured products

We pride ourselves on being one of the most dynamic product providers in the Industry. For the retail market, we offer:

- Structured deposits, income and growth products
- An expert product design team with years of experience
- Products that suit a variety of objectives, including managing risk and enhancing return
- A UK wide sales team, always on call for advisers

Bespoke structured products

We understand that the investment objectives and risk profiles of clients can be very specific. We are proud to offer a bespoke service that can be designed to meet the varied needs of different client profiles, such as:

- Individuals
- Groups of investors
- Companies
- Pension schemes
- Institutions
- Offshore investors
- Charities

Access to multi-asset, multi-currency solutions means that we can structure solutions for all kinds of income or capital growth requirements.

Immaculate Service

Product Administration

We administer all of our own labelled products, as well as those of partner and third party providers.

Client communication is paramount to us, which is why we strive to provide high quality ongoing administration support to our clients and partners via:

- Periodic statements (both on and offline)
- Daily pricing
- Product monitoring
- Maturity processing
- Encashment services
- Online investment services
- Counterparty exposure metrics

Counterparties

Here is a sample of some of the major counterparties we work with:

- Bank of America Merrill Lynch
- BNP Paribas
- Commerzbank
- Credit Suisse
- Danske
- Goldman Sachs
- Morgan Stanley
- Natixis
- Rabobank
- Royal Bank of Canada
- Royal Bank of Scotland
- Société Générale
- UBS AG
